

# The Ultimate Guide to Reiki Healing in Houston

## Introduction to Reiki Healing

Reiki healing is an ancient Japanese technique for stress reduction and relaxation that also promotes healing. It is based on the idea that an unseen "life force energy" flows through us and is what causes us to be alive. If one's life force energy is low, then we are more likely to get sick or feel stress, and if it is high, we are more capable of being happy and healthy. In this comprehensive guide, we explore the benefits, techniques, and opportunities for [Reiki healing in Houston](#), as well as where you can find [Reiki classes](#) to become a practitioner yourself.

## What is Reiki Healing?

Reiki is a form of alternative medicine called energy healing. Reiki practitioners use a technique called palm healing or hands-on healing through which a "universal energy" is said to be transferred through the palms of the practitioner to the patient in order to encourage emotional or physical healing.
