A massive thank you to shameem for teaching me the right way to drive. I had previously been with 2 other instructors who made driving more confusing for me. At the age of 24, i finally have full confidence in my driving & i can not thank shameem enough for his teaching. I passed first go!
As someone who suffers with anxiety, he truly helped ease my worries with my doubt in ability to drive. I highly recommend swift & easy driving school!! -Pheobe Zulic
