

TOP CLINICS OFFERING THE SCHROTH METHOD IN SINGAPORE

ScolioLife

ScolioLife is a premier scoliosis-focused clinic in Singapore offering specialized treatments, including the Schroth Method.

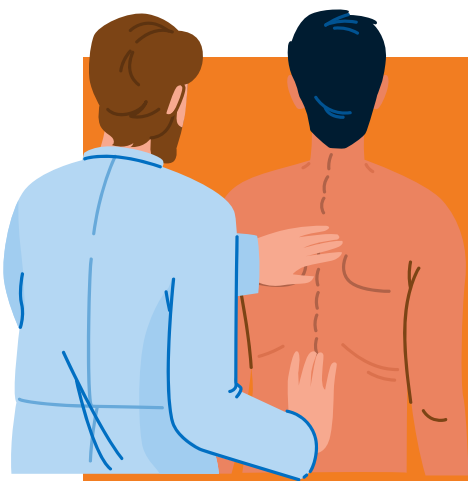

Scoliosis Specialists Clinic

Another notable clinic offering the Schroth Method in Singapore is the Scoliosis Specialists Clinic.

Reduce Pain

Many patients with scoliosis experience chronic pain, particularly in the back and shoulders.

Certified Therapists

Ensure that the clinic has therapists certified in the Schroth Method, as this ensures they have the necessary expertise to provide effective treatment.

Improve Posture

By training the body to adopt better postural habits, the Schroth Method can significantly reduce the visible effects of scoliosis.
